ARGENTINA HELICOPTER SKIING IN PATAGONIA RANGE

PRIVATE WEEK

Seven nights & Six days of heliskiing in the Patagonian Andes

Your adventure begins in Bariloche. From there you will heli ski in the Cordillera de los Baguales and Lago Escondido, staying overnight at our cozy lodge in Estancia Río Villegas, right in the middle of the picturesque mountains. Later in the week, a 40 minute flight will transport you to one of the most scenic heliskiing areas in Patagonia: the glacial terrain of Cholila. Cholila boasts long runs and excellent snow conditions. Three nights at a rustic lodge, tucked deep in the valley, with phenomenal views of the mountains, while enjoying local cuisine and Argentinean wines will make for a great experience.
