

POWDERBIRD INTERNATIONAL

Helicopter Skiing

Powderbird International is proud to present you a truly private and exclusive Chilean heliskiing experience. Your home base is a plush Chilean lodge, nestled on a 900,000 acre ranch. Enjoy South American hospitality at its finest with gourmet food, outdoor BBQs, and pisco sours during cocktail hour.

We access an impressive 4 million acres of private terrain surrounding the Maipo Valley. Our ski runs have landings from 9,000–14,000 feet, offering phenomenal views of the Andes. Although much of the terrain has been mapped out, the remoteness and vast scale of this area provides the opportunity for exploration and first descents.
